Dear Sirs/Madam:

It is with great pleasure and without reservation that I recommend Sterling Averett. I have worked with Sterling through our church, The Church of Jesus Christ of Latter Day Saints, and The Boy Scouts of America. Through both organizations Sterling has proven himself an outstanding citizen of the community, member of the Church and member of the Boy Scouts. Sterling displays all the qualities that are required to be an Eagle Scout which he has achieved and surpassed. I personally have enjoyed working with him and recommend Sterling for any endeavor he may seek.

Sincerely,

Bradley Chadwick
